

## Epic 5 - Dual-WAN Gigabit Router with US Power Cord **SKU: ABR-5000**

---

**This product has been discontinued. The recommended replacement is the ABR-4500**

The Epic 5 offers everything you'd expect in a full-featured high-performance router including gigabit networking and secure remote access, but it's also much more. Powerful web content filtering and dual-WAN capabilities make the network smarter and more reliable, for a truly exceptional internet experience.

**Gigabit WAN to LAN Performance:**

High-speed networking for ultra-fast streaming and bandwidth-intensive applications.

**Clean & Modern Look:**

Green/blue front-facing LEDs and rear-facing ports for polished AV rack solutions.

**Secure Remote Access:**

Enable convenient and secure remote access to the network via VPN.

**Dual-WAN Capability:**

Connect the LAN to two internet connections with load-balancing and failover control.

**Custom Content Filtering:**

Customizable web content filtering and scheduling to control when and how the network is used.\*

**Powerful Configuration:**

Easily enable essential features like security, remote access and media sharing.

**Additional features:**

- AV Series – Ports on the Back
- User Selectable Green/Blue Front-Facing LEDs
- 2 Dedicated WAN, 5 Dedicated LAN Ports
- Dual-WAN Failover and Load Balancing
- Virtual Private Network (VPN): PPTP, L2TP, IPsec
- Quality of Service (QoS)
- Virtual Local Area Network (VLAN)
- Network Security and Firewall
- Simple Setup and Management
- 1 USB 3.0 Port
- Fanless for Silent Operation
- Durable 1U Metal Enclosure for Rack Mount or Desktop Use
- Built-in remote management (Domotz)
- Three Year Limited Warranty

\*As of 3/31/23, Bark Technologies has taken over as the service provider for Router Limits Parental Controls. We are currently in development of adding built-in Bark Parental Controls to this Router. Until this development is complete, built-in parental controls will not be available, however all other router functions will work as intended. If you are in need of parental controls before this built-in update is complete, please reach out to Bark directly.

**This Package Includes:**

- Epic 5 High Performance Gigabit Router
- Rack Mount kit
- Rubber Feet
- Power Cord
- Quick Install Guide

## Specifications

---

## Dimensions & Measurements

Height	1.75 in (4.4 cm)
Length	12 in (30.5 cm)
Product Weight	3.8 lbs (1.7 kg)
Width	7.34 in (18.6 cm)

## Characteristics & Features

Connection Type	Wired
Power Cord	US Cord
Power Type	AC
SSID Capability	8
TAA Compliant	No
UPC	655003919950
VLAN Compliance	802.1Q
Wired Data Rate	<ul style="list-style-type: none"><li>• LAN-LAN 1Gbps</li><li>• WAN-LAN 1Gbps</li></ul>

## Certifications & Warranties

Certifications	<ul style="list-style-type: none"><li>• CE</li><li>• CE-EMC</li><li>• CE-ErP</li><li>• CE-LVD</li><li>• FCC</li><li>• IC</li><li>• RCM</li><li>• RoHS</li><li>• UKCA</li></ul>
